Bicycle & E-Bike Rental Waiver

Rental

I am renting one or more bicycles, electric bicycles (e-bikes) and accessories such as helmets, locks, lights, baskets, child seats or trailers (the "Equipment") from for the rental period agreed at checkout. This agreement also covers any guided ride or tour I take with .

My Riding Ability

I confirm that I, and every rider I am responsible for, know how to ride a bicycle competently, can start, stop, steer and brake safely, and are physically able to ride for the planned distance and terrain. If I rent an e-bike, I have received instructions on how its motor assist, throttle (if any), brakes and display work, and I will practice in a safe area before riding in traffic.

Risks of Cycling

I understand that riding a bicycle or e-bike involves risks of serious injury or death. These include:

- collisions with cars, trucks, buses, doors of parked cars, pedestrians, other cyclists, animals or fixed objects;
- falls caused by potholes, gravel, sand, wet leaves, rail tracks, curbs, ice or uneven trail surfaces;
- loss of control on hills, curves or at speed, especially on heavier e-bikes, which accelerate faster and take longer to stop;
- mechanical problems such as brake failure, tire punctures, chain slipping or a loose component;
- weather, poor visibility, darkness, heat and sun exposure; and
- getting lost or being far from help on unfamiliar routes.

Inspection and Condition

Before riding, I will inspect the Equipment, including brakes, tires, seat height and bell, and I will tell immediately about anything that seems wrong. By riding away, I confirm that the Equipment appeared to be in good working order and properly adjusted for me. If a problem develops during the rental, I will stop riding and contact .

Rules of the Road

I agree to:

- wear a helmet, and ensure all minors in my group wear helmets, as required by or local law;
- obey all traffic laws, signals and signs, ride with traffic and use bike lanes where available;
- use lights and reflectors when riding at dusk, at night or in poor visibility;
- ride only where bicycles or e-bikes are permitted, and not on stairs, beaches, off-road trails or rough terrain unless the Equipment is designed for it;
- carry only one rider per bike, unless the Equipment is designed for a passenger or child seat;
- not ride under the influence of alcohol or drugs, or while using a phone; and
- not perform stunts, jumps or racing.

E-Bike Batteries

I will not attempt to open, charge, remove or modify the battery or motor unless instructed by . I understand that the range of an e-bike varies with terrain, rider weight and assist level, and that I am responsible for returning before the battery runs out.

Theft, Loss and Damage

I am responsible for the Equipment from checkout until it is returned to . I will lock it securely to a fixed object with the lock provided whenever I leave it, even briefly. I agree to pay:

- the reasonable cost of repairing any damage beyond normal wear and tear;
- the replacement value of any Equipment lost or stolen, as listed by , unless covered by a damage protection option I purchased; and
- late fees at the rate shown at checkout if I return the Equipment after the agreed time.

I authorize to charge these amounts to the payment method I provided.

Release of Liability

I voluntarily assume all risks of renting and riding the Equipment. To the fullest extent permitted by law, I release , its owners, employees and tour guides from all claims for injury, death or property damage arising from my rental or ride, including claims based on ordinary negligence, but not gross negligence or willful misconduct. I will indemnify against claims by others arising from my use of the Equipment.

Minors

If any rider is under 18, I am their parent or legal guardian or have their parent's authority, I will supervise them during the rental, and I accept this agreement on their behalf to the extent permitted by law.

General

If any part of this agreement is unenforceable, the rest remains in effect. It is governed by the laws of the state or country in which operates.
