Rental

I am renting one or more inflatable units, which may include bounce houses, combo units, slides, water slides, obstacle courses, blowers, stakes, sandbags, tarps and extension cords (the "Equipment"), from for use at the event address and date on my booking. I am the person responsible for the Equipment and for the event while the Equipment is set up (the "Renter").

Site and Setup

I confirm that the setup area is flat, free of rocks, sticks, sprinkler heads, pet waste and sharp objects, and has enough clearance from trees, fences, power lines, pools, buildings and roads as specified by . I will provide access for delivery and a suitable electrical outlet on a dedicated circuit, unless I have rented a generator. I will make sure underground utilities, sprinkler lines and invisible pet fences are marked, and I am responsible for damage to them caused by staking.

I will not move, re-stake or remove the anchors from the Equipment after has set it up.

Wind and Weather

I understand that inflatables can be lifted or overturned by wind, even when properly anchored. I agree to:

- evacuate and deflate the Equipment immediately if winds reach [15–20] mph or gusts become strong, or as instructed in the manufacturer's guidance provided by ;
- stop use immediately during rain, lightning or thunderstorms, and not resume until the surface is dry and the storm has passed; and
- not use water slides or water features when the air temperature is too cold for safe water play.

Supervision and Use Rules

I will make sure at least one responsible adult, aged 18 or over, supervises the Equipment at all times while it is inflated, and that the following rules are followed:

- no more users than the posted capacity, and no adults in units designed for children unless permitted;
- users grouped by similar age and size, with small children never mixed with older children or adults;
- no shoes, glasses, jewelry, sharp objects, face paint, silly string, food, drinks or gum inside the Equipment;
- no flips, wrestling, climbing walls or netting, or hanging on the sides;
- users exit the unit if the Equipment begins to deflate, and the blower stays running and unobstructed while anyone is inside;
- no one with a medical condition, injury or pregnancy uses the Equipment; and
- no use by anyone who has consumed alcohol or drugs.

Risks

I understand that inflatable use involves risks of injury, including collisions between users, falls

inside the unit or from the entrance or slide, sprains, fractures, head and neck injuries, suffocation risk if the unit deflates with someone inside, and serious injury if a unit is moved by wind. I accept responsibility for managing these risks during my rental period.

Damage, Cleaning and Theft

I am responsible for the Equipment from delivery until pickup. I will pay for repair or replacement of Equipment that is damaged, lost or stolen during the rental period, other than normal wear and tear, and for extra cleaning if the Equipment is returned with mud, paint, food, glitter or other residue. I will not attempt repairs myself.

Cancellation

may cancel or reschedule delivery if forecast weather makes setup unsafe. Weather-related cancellations will be handled as described in the booking terms [refund / credit]. Cancellations I make for other reasons are subject to the cancellation policy at the time of booking.
