Escape Room Participation Waiver

The Game

I am taking part in an escape room or immersive game experience at (the "Game"). The Game involves solving puzzles, searching rooms, handling props and locks, and working with my team within a time limit. Some rooms may include low lighting, sound and lighting effects, fog, moving parts, hidden passages and, in certain experiences, live actors.

Risks

I understand that the Game involves some risk of injury or discomfort, including:

- tripping, slipping or bumping into walls, furniture or props in dim or dark conditions;
- minor cuts, pinches or scrapes from props, locks, drawers, hidden compartments and moving set pieces;
- bending, kneeling or crawling through low or narrow passages, which may strain my back, knees or neck;
- feelings of anxiety, claustrophobia or panic in enclosed spaces;
- flashing or strobe lights that may trigger seizures in people with photosensitive epilepsy;
- fog or haze effects that may irritate the eyes or airways or affect people with asthma; and
- loud noises, sudden scares and, in horror experiences, actors approaching me closely.

My Health

I confirm that I am in good health and able to take part. I will not take part, or will tell staff beforehand and choose a suitable room, if I have photosensitive epilepsy, a heart condition, severe asthma, a respiratory condition, claustrophobia, an anxiety or panic disorder, a mobility limitation, or am pregnant. I have not consumed alcohol or drugs that affect my judgment.

Stopping the Game

I understand that I can leave the Game at any time. Staff have shown me, or will show me before the Game, how to exit or how to signal that I want to stop, and that an emergency exit or release is always available. In an emergency, I will follow staff instructions immediately. Leaving early does not entitle me to a refund.

Game Rules

I agree to:

- never use force to open locks, doors, panels, drawers or containers (every puzzle can be solved without force);
- not climb on furniture, shelves or walls, or pull on ceiling tiles, light fixtures, outlets, sprinklers, vents or cameras, unless staff tell me an object is part of the Game;
- not touch any item marked with a "do not touch" sticker or warning;
- not bring food, drinks, lighters, weapons or sharp objects into the room;
- keep my phone put away and not take photos or video inside the room; and
- respect live actors' boundaries and never strike, grab or chase them, just as they will not harm me.

Staff may end the Game for anyone who breaks these rules, without refund.

Monitoring

I understand that rooms are monitored by video and audio during the Game for safety and so that staff can provide hints. Footage is used for safety, security and operational purposes and is not published without consent.

Confidentiality

To preserve the experience for future players, I agree not to share solutions, puzzle details, photos or spoilers about the Game in reviews, on social media or elsewhere.

Damage

I agree to pay for the reasonable cost of repairing or replacing props, fixtures or equipment that I intentionally or recklessly damage, or that are damaged by my use of force against these rules.

Release of Liability

I take part voluntarily and accept the risks of the Game. To the fullest extent permitted by law, I release , its owners, employees, game masters and actors from all claims for injury, illness, death or property loss arising from the Game, including claims based on ordinary negligence, but not gross negligence or willful misconduct. I will indemnify against claims arising from my breach of the rules.

Minors

If a player is under 18, I am their parent or legal guardian, I accept this waiver on their behalf to the extent permitted by law, and I understand that younger players may need to be accompanied by an adult in the room as requires.

General

If any part of this waiver is unenforceable, the rest remains in effect. It is governed by the laws of the state or country in which operates.
